IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A105536 issued to Respondent David Andrew McCall, M.D. is revoked. However, the revocation is stayed and Respondent is placed on probation for five (5) years on the following terms and conditions.

1. EDUCATION COURSE. The educational program(s) or course(s) shall be aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified. The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure. Following the completion of each course, the Board or its designee may administer an examination to test Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65 hours of CME of which 40 hours were in satisfaction of this condition.

2. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a course in medical record keeping approved in advance by the Board or its designee. Respondent shall provide the approved course provider with any information and documents that the approved course provider may deem pertinent.

1 Respondent shall participate in and successfully complete the classroom component of the course
2 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
3 complete any other component of the course within one (1) year of enrollment. The medical
4 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
5 Medical Education (CME) requirements for renewal of licensure.

6 A medical record keeping course taken after the acts that gave rise to the charges in the
7 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
8 or its designee, be accepted towards the fulfillment of this condition if the course would have
9 been approved by the Board or its designee had the course been taken after the effective date of
10 this Decision.

12 Respondent shall submit a certification of successful completion to the Board or its
13 designee not later than 15 calendar days after successfully completing the course, or not later than
14 15 calendar days after the effective date of the Decision, whichever is later.

15 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
16 the effective date of this Decision, Respondent shall enroll in a professionalism program, that

18 Respondent shall participate in and successfully complete that program. Respondent shall
19 provide any information and documents that the program may deem pertinent. Respondent shall
20 successfully complete the classroom component of the program not later than six (6) months after
21 Respondent's initial enrollment, and the longitudinal component of the program not later than the
22 time specified by the program, but no later than one (1) year after attending the classroom
23 component. The professionalism program shall be at Respondent's expense and shall be in
24 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

27 A professionalism program taken after the acts that gave rise to the charges in the
28

1 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
2 or its designee, be accepted towards the fulfillment of this condition if the program would have
3 been approved by the Board or its designee had the program been taken after the effective date of
4 this Decision.

5 Respondent shall submit a certification of successful completion to the Board or its
6 designee not later than 15 calendar days after successfully completing the program or not later
7 than 15 calendar days after the effective date of the Decision, whichever is later.

8
9 4. PSYCHIATRIC EVALUATION. Within 30 calendar days of the effective date of
10 this Decision, and on whatever periodic basis thereafter may be required by the Board or its
11 designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological
12 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall
13 consider any information provided by the Board or designee and any other information the
14 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its
15 designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not
16 be accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all
17 psychiatric evaluations and psychological testing.

18
19 Respondent shall comply with all restrictions or conditions recommended by the evaluating
20 psychiatrist, including but not limited to required participation in psychotherapy, within 15
21 calendar days after being notified by the Board or its designee.

22 If the evaluating psychiatrist recommends psychotherapy treatment, Respondent shall
23 submit to the Board or its designee for prior approval the name and qualifications of a California-
24 licensed board certified psychiatrist or a licensed psychologist who has a doctoral degree in
25 psychology and at least five years of postgraduate experience in the diagnosis and treatment of
26 emotional and mental disorders. Upon approval, Respondent shall undergo and continue
27
28

1 psychotherapy treatment, including any modifications to the frequency of psychotherapy, until the
2 Board or its designee deems that no further psychotherapy is necessary.

3 The psychotherapist shall consider any information provided by the Board or its designee
4 and any other information the psychotherapist deems relevant and shall furnish a written
5 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
6 psychotherapist any information and documents that the psychotherapist may deem pertinent.

7 Respondent shall have the treating psychotherapist submit quarterly status reports to the
8 Board or its designee, which shall include reports on Respondent's current psychiatric status, his
9 medication compliance and his adherence to recommendations from the psychotherapist. The
10 Board or its designee may require Respondent to undergo psychiatric evaluations by a Board-
11 appointed board certified psychiatrist. If, prior to the completion of probation, Respondent is
12 found to be mentally unfit to resume the practice of medicine without restrictions, the Board shall
13 retain continuing jurisdiction over Respondent's license and the period of probation shall be
14 extended until the Board determines that Respondent is mentally fit to resume the practice of
15 medicine without restrictions.
16

17 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.
18

19 5. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this
20 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
21 monitor, the name and qualifications of one or more licensed physicians and surgeons whose
22 licenses are valid and in good standing, and who are preferably American Board of Medical
23 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
24 relationship with Respondent, or other relationship that could reasonably be expected to
25 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
26 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
27
28

1 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

2 The Board or its designee shall provide the approved monitor with copies of the Decision
3 and Accusation, and a proposed monitoring plan. Within 15 calendar days of receipt of the
4 Decision, Accusation, and proposed monitoring plan, the monitor shall submit a signed statement
5 that the monitor has read the Decision and Accusation, fully understands the role of a monitor,
6 and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees with the
7 proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed
8 statement for approval by the Board or its designee.
9

10 Within 60 calendar days of the effective date of this Decision, and continuing throughout
11 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
12 make all records available for immediate inspection and copying on the premises by the monitor
13 at all times during business hours and shall retain the records for the entire term of probation.

14 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
15 date of this Decision, Respondent shall receive a notification from the Board or its designee to
16 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
17 shall cease the practice of medicine until a monitor is approved to provide monitoring
18 responsibility.
19

20 The monitor(s) shall submit a quarterly written report to the Board or its designee which
21 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
22 are within the standards of practice of medicine, and whether Respondent is practicing medicine
23 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
24 that the monitor submits the quarterly written reports to the Board or its designee within 10
25 calendar days after the end of the preceding quarter.
26

27 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
28

1 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
2 name and qualifications of a replacement monitor who will be assuming that responsibility within
3 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
4 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
5 notification from the Board or its designee to cease the practice of medicine within three (3)
6 calendar days after being so notified. Respondent shall cease the practice of medicine until a
7 replacement monitor is approved and assumes monitoring responsibility.

8
9 In lieu of a monitor, Respondent may participate in a professional enhancement program
10 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
11 review, semi-annual practice assessment, and semi-annual review of professional growth and
12 education. Respondent shall participate in the professional enhancement program at Respondent's
13 expense during the term of probation.

14 6. THIRD PARTY CHAPERONE. During probation, Respondent shall have a third
15 party chaperone present while consulting, examining or treating female patients. Respondent
16 shall, within 30 calendar days of the effective date of the Decision, submit to the Board or its
17 designee for prior approval name(s) of persons who will act as the third party chaperone.

18
19 If Respondent fails to obtain approval of a third party chaperone within 60 calendar days of
20 the effective date of this Decision, Respondent shall receive a notification from the Board or its
21 designee to cease the practice of medicine within three (3) calendar days after being so notified.
22 Respondent shall cease the practice of medicine until a chaperone is approved to provide
23 monitoring responsibility.

24
25 Each third party chaperone shall sign (in ink or electronically) and date each patient
26 medical record at the time the chaperone's services are provided. Each third party chaperone
27 shall read the Decision(s) and the Accusation(s), and fully understand the role of the third party
28

1 chaperone.

2 Respondent shall maintain a log of all patients seen for whom a third party chaperone is
3 required. The log shall contain the: 1) patient initials, address and telephone number; 2) medical
4 record number; and 3) date of service. Respondent shall keep this log in a separate file or ledger,
5 in chronological order, shall make the log available for immediate inspection and copying on the
6 premises at all times during business hours by the Board or its designee, and shall retain the log
7 for the entire term of probation.

8
9 Respondent is prohibited from terminating employment of a Board-approved third party
10 chaperone solely because that person provided information as required to the Board or its
11 designee.

12 If the third party chaperone resigns or is no longer available, Respondent shall, within five
13 (5) calendar days of such resignation or unavailability, submit to the Board or its designee, for
14 prior approval, the name of the person(s) who will act as the third party chaperone. If Respondent
15 fails to obtain approval of a replacement chaperone within 30 calendar days of the resignation or
16 unavailability of the chaperone, Respondent shall receive a notification from the Board or its
17 designee to cease the practice of medicine within three (3) calendar days after being so notified.
18 Respondent shall cease the practice of medicine until a replacement chaperone is approved and
19 assumes monitoring responsibility.

20
21 7. PROFESSIONAL BOUNDARIES PROGRAM. Within 60 calendar days from the
22 effective date of this Decision, Respondent shall enroll in a professional boundaries program
23 approved in advance by the Board or its designee. Respondent, at the program's discretion, shall
24 undergo and complete the program's assessment of Respondent's competency, mental health
25 and/or neuropsychological performance, and at minimum, a 24 hour program of interactive
26 education and training in the area of boundaries, which takes into account data obtained from the
27
28

1 Decision. Accusation and any other information that the Board or its designee deems relevant.

2 The program shall evaluate Respondent at the end of the training and the program shall provide
3 any data from the assessment and training as well as the results of the evaluation to the Board or
4 its designee.

5 Failure to complete the entire program not later than six (6) months after Respondent's
6 initial enrollment shall constitute a violation of probation unless the Board or its designee agrees
7 in writing to a later time for completion. Based on Respondent's performance in and evaluations
8 from the assessment, education and training, the program shall advise the Board or its designee of
9 its recommendations for additional education, training, psychotherapy and other measures
10 necessary to ensure that Respondent can practice medicine safely. Respondent shall comply with
11 program recommendations. At the completion of the program, Respondent shall submit to a final
12 evaluation. The program shall provide the results of the evaluation to the Board or its designee.
13

14 The professional boundaries program shall be at Respondent's expense and in addition to the
15 Continuing Medical Education (CME) requirements for renewal of licensure.
16

17 The program has the authority to determine whether or not Respondent successfully
18 completed the program.

19 A professional boundaries course taken after the acts that gave rise to the charges in the
20 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
21 or its designee, be accepted towards the fulfillment of this condition if the course would have
22 been approved by the Board or its designee had the course been taken after the effective date of
23 this Decision.
24

25 8. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
26 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
27 Chief Executive Officer at every hospital where privileges or membership are extended to
28

1 Respondent, at any other facility where Respondent engages in the practice of medicine,
2 including all physician and locum tenens registries or other similar agencies, and to the Chief
3 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
4 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
5 calendar days.

6 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

7
8 9. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
9 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
10 advanced practice nurses.

11 10. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
12 governing the practice of medicine in California and remain in full compliance with any court
13 ordered criminal probation, payments, and other orders.

14 11. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
15 under penalty of perjury on forms provided by the Board, stating whether there has been
16 compliance with all the conditions of probation.

17
18 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
19 of the preceding quarter.

20 12. GENERAL PROBATION REQUIREMENTS.

21 Compliance with Probation Unit

22 Respondent shall comply with the Board's probation unit.

23 Address Changes

24
25 Respondent shall, at all times, keep the Board informed of Respondent's business and
26 residence addresses, email address (if available), and telephone number. Changes of such
27 addresses shall be immediately communicated in writing to the Board or its designee. Under no
28

1 circumstances shall a post office box serve as an address of record, except as allowed by Business
2 and Professions Code section 2021(b).

3 Place of Practice

4 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
5 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
6 facility.

7 License Renewal

8 Respondent shall maintain a current and renewed California physician's and surgeon's
9 license.
10

11 Travel or Residence Outside California

12 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
13 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
14 (30) calendar days.

15 In the event Respondent should leave the State of California to reside or to practice,
16 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
17 departure and return.
18

19 13. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
20 available in person upon request for interviews either at Respondent's place of business or at the
21 probation unit office, with or without prior notice throughout the term of probation.

22 14. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
23 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
24 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
25 defined as any period of time Respondent is not practicing medicine as defined in Business and
26 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
27
28

1 patient care, clinical activity or teaching, or other activity as approved by the Board. If
2 Respondent resides in California and is considered to be in non-practice, Respondent shall
3 comply with all terms and conditions of probation. All time spent in an intensive training
4 program which has been approved by the Board or its designee shall not be considered non-
5 practice and does not relieve Respondent from complying with all the terms and conditions of
6 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
7 on probation with the medical licensing authority of that state or jurisdiction shall not be
8 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
9 period of non-practice.
10

11 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
12 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
13 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
14 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
15 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.
16

17 Respondent's period of non-practice while on probation shall not exceed two (2) years.

18 Periods of non-practice will not apply to the reduction of the probationary term.

19 Periods of non-practice for a Respondent residing outside of California will relieve
20 Respondent of the responsibility to comply with the probationary terms and conditions with the
21 exception of this condition and the following terms and conditions of probation: Obey All Laws;
22 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
23 Controlled Substances; and Biological Fluid Testing.
24

25 15. COMPLETION OF PROBATION. Respondent shall comply with all financial
26 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
27 completion of probation. Upon successful completion of probation, Respondent's certificate shall
28

1 be fully restored.

2 16. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
3 of probation is a violation of probation. If Respondent violates probation in any respect, the
4 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
5 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
6 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
7 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
8 the matter is final.
9

10 17. LICENSE SURRENDER. Following the effective date of this Decision, if
11 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
12 the terms and conditions of probation, Respondent may request to surrender his or her license.
13 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
14 determining whether or not to grant the request, or to take any other action deemed appropriate
15 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
16 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
17 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
18 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
19 application shall be treated as a petition for reinstatement of a revoked certificate.
20

21 18. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
22 with probation monitoring each and every year of probation, as designated by the Board, which
23 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
24 California and delivered to the Board or its designee no later than January 31 of each calendar
25 year.

10 "This section shall not apply to sexual contact between a physician and surgeon and his or

FIRST CAUSE FOR DISCIPLINE

(Sexual Misconduct/Unprofessional Conduct)

8. Respondent's certificate is subject to discipline pursuant to Business and Professions Code sections 726 and/or 2234 in that Respondent examined and touched an intimate part of a patient without a medical indication and/or violated professional boundaries in the course of an examination. The facts are as follows:

A. At all relevant times, Respondent was engaged in the practice of orthopedic medicine in the County of Santa Clara, State of California.

B. On October 24, 2014, Patient L.N.¹, a 23 year old female, came under Respondent's care and treatment for an orthopedic consultation at her regular medical clinic. L.N. had been experiencing right knee pain for approximately 9 months and had requested an MRI to determine the cause of her continuing pain. At the October 24th visit, Respondent was the assigned physician, responsible for taking a history, performing an examination of the knee and reviewing the MRI with L.N.

C. After taking a history that included a discussion of her daily activities, Respondent concluded that the patient's knee problems were likely due to an overuse injury. Although she was not a candidate for surgery, Respondent introduced the topic of post-surgical recovery into his conversation with L.N. At the time of the October 24th examination, Respondent had available to him the information in the patient's electronic medical record (EMR) at the medical center and he was aware that her medical history included a past labiaplasty, i.e., surgical reduction of the labia minora and/or labia majora. In the course of taking the history, Respondent asked L.N. if she had any prior surgeries and how they had healed, which questions he related to post-surgical recovery and skin and ligament elasticity. L.N. acknowledged the prior labiaplasty

¹ Patient names are abbreviated to protect privacy.

1 and, at that time, Respondent asked to see the labial incision to see how it had healed. He did not
2 offer the patient a gown or cover, rather he had her lower her pants and underwear. He then
3 performed a brief examination of the labia with his ungloved hand. Respondent did not make a
4 written note of this examination.

5 D. Respondent did chart a physical examination of the knee, for which the patient rolled
6 up the pant legs of her sweat pants. The examination was within normal limits, with only some
7 tenderness noted over the inferior pole of the patella. The MRI was consistent with patellar
8 tendonitis, with inflammation at the inferior pole of the patella and patellar tendon. Despite his
9 earlier comments about surgery and post-surgical healing, Respondent advised the patient to
10 utilize a right knee strap, right knee icing and non-impact activities such as an elliptical or bike.

11 E. Patient L.N. also had a history of shoulder pain and Respondent stated that he would
12 examine the shoulder, for which he requested that she remove her shirt. By this point, the
13 patient's discomfort with the intimacy of the orthopedic examination was such that she declined
14 to remove her shirt and, instead, moved the garment to expose the shoulder only. Respondent
15 examined the shoulder but, as with the labial examination, made no record of the examination.

16 F. Patient L.N.'s discomfort with the October 24th examination continued after the visit
17 and, after discussing the events with family and friends, she reported the inappropriate
18 examination to the clinic. An investigation was undertaken and Respondent was asked to explain
19 why an uncharted genital examination was performed during an orthopedic evaluation.
20 Respondent stated that the patient spontaneously disrobed and that he recalled the event as
21 awkward. Respondent was unable to provide a medically reasonable justification for the
22 examination or the lack of documentation and his employment was terminated.

23 **FIRST CAUSE FOR DISCIPLINE**

24 (Gross Negligence/Inaccurate Records)

25 9. Respondent's certificate is subject to discipline pursuant to Business and Professions
26 Code sections 2234(b) and/or 2266 in that Respondent was grossly negligent in the performance
27 of a physical examination, which exceeded the scope of an appropriate orthopedic examination
28

1 and violated professional boundaries, and Respondent failed to keep accurate and adequate
2 records of the examination.

3 A. Complainant incorporates the allegations of Paragraphs 8(A)-(F) above, as though
4 fully set out herein.
